.....

To us, good food always means two things – they are delicious, they are nutritious. We use real ingredients and no extenders. Whenever possible, only natural preservatives are used in our products.

We aim to give mothers a healthy alternative to feed their families. By using only real ingredients, we ensure that our food is not only delicious and flavorful, but they also satisfy and nourish.

First Harvest

#Homegrown

.....

First Harvest is proudly Pinoy. We aim to increase the quality of agricultural produce to come up with globally competitive products that are at par, or even better than imported brands.

We source our ingredients from local farms and markets, to partake in countryside economic development. We empower the socially disadvantaged by giving them employment opportunities.

Business with conscience. Business with purpose.

Salted Coco Caramel

Salted Coco Caramel is First Harvest's take on the Asian heritage recipe - the coco jam. Balanced with salt and swirled with the aromatic flavor of sesame seeds, Salted Coco Caramel brandishes a surprising flavor that is unlike the regular coco jam.

- Uses muscovado molasses - crude sugar is healthier.
- Flavourful and not too sweet! Adults love it!
- Enjoy with suman, or toasted bread. It's the perfect pair for dark coffee.
- No artificial preservatives

Minimum Ordering Quantity: 24 jars, 12 jars in one box
